

◆◆SUMMARY OF MATERIAL MODIFICATIONS◆◆

November 2025

To Participants/Beneficiaries:

The Board of Trustees ("Trustees") of the North Central States Regional Council of Carpenters' Pension Fund ("Plan") would like to inform you of important changes that were made to the Plan. This notification, which is called a Summary of Material Modifications ("SMM"), is intended to update the Plan's July 1, 2019 Summary Plan Description ("SPD"). Therefore, you should place this SMM with your SPD and retain it for future reference. If you do not have a copy of the SPD, please contact the Fund Office using the address and telephone number at the top of this notice.

**Extension of Temporary Exception to
Suspension of Benefits/Return to Work Rules**

In response to the continued robust work environment and the demand for skilled craft workers, the Trustees extended the temporary exception to the Plan's suspension of benefits and return to work rules for the 2026 calendar year. The exception allows retirees who return to active employment for an Employer who is signatory to a collective bargaining agreement that requires contributions be made to the Plan on your behalf, to work up to 800 hours in the 2026 calendar year before benefits may be suspended for working 40 or more hours in a calendar month.

As always, please contact the Fund Office should you have any questions or concerns.

Sincerely,

THE FUND OFFICE
